“ I just want to take a second to personally thank everyone who has and will leave a memory of Grandpa on this wall. Granny really enjoys reading all of them and she loves all of y'all dearly. My Grandpa was very special to many people, but was extremely special to me. The relationship that he and I shared is one I can only hope all kids get to have with their granddads. He was my superman, Roy Rodgers, Gene Autry, John Wayne, and hero all wrapped into one. I thought he could walk on water. I'm so thankful and blessed that he has taught me so many things. Whether fishing, hunting, working in the shop, or whatever we did, he made sure I knew how to do it and do it the right way. I'm so happy he got to be in Kearsten's life (she loved her "papa") and that he got to see James. He told everyone who would listen about them and was very proud of them. I love you Grandpa. This ain't goodbye, it's till I see you again. Find us some honey holes in Heaven. I know your with me every step I take.

“ I know that my brother, Sammy Johnson, will miss him very much at Sunday dinners. Your daddy will be missed very much. I got to know him with I worked with Karla in 704-1N at SRS. When he could he would come and eat lunch with Karla or she would go eat lunch with him, more she would go eat with him. Mr. and Mrs. Boswell would come to some of our family functions and help cook and celebrate. Felt like one of our family members when they were around. Just made theirselves fit right in. A very special couple

*You are so correct. Daddy could catch fish when no one else could. He would catch a fish - I would be right next to him and I'd get nothing. I still think he kissed his crickets before he cast his line out. I love you both and hope to see you soon.*

“ JC was an awesome person to admire. I respected him long before I ever met him But, what I will remember most about him is how he treated me like a member of the family from the first time I met him. He's the kind of person that most of us only hope to be. I am so glad that I was able to spend time with such a man of God.

“ My thoughts are with you and the family and how death robs us of our loved ones. Jehovah God has promised to remove death, sickness, and pain from the earth and reunite us with our loved one on a cleansed earth in the future. (Revelation 21:4; John 5:28,29; John 17:3; Psalms 83:18)

In the meantime you can be sure that God understands how you feel now! The Bible assures us:

"He is healing the brokenhearted ones,  
And is binding up there painful spots." Psalms 147:3
