“ Dear Teresa,

I was really shocked to hear about your dad passing away so suddenly. He seemed like he was doing okay.

They said one minute he was dancing and the next he just appeared to be asleep on the sofa. I know that your are grateful that he went that way and didn't have to endure a long drawn out illness with alzhiemers. He went exactly the way he and all of us want to go. God Bless you and your family during this time, my thoughts and prayers are with you. Take care!

Sincerely,

Reda Boswell
