“ Jim was one of a kind for sure. We loved him unconditionally along with his whole family who are in our thoughts and prayers at this time. Jim once told me he thought his blood sugar was low just so I'd give him a cupcake, worked like a charm. Marie and I always loved to cook for each other's families and enjoyed having them to our house or going to their house. We had great times that we will cherish forever. Love hugs and prayers to each of you. Keith, Teri, Jessica & Jeremy Leindl
