“ *I cried as I watched the video tribute. "Brother" and I go back a long way, and even though we haven't seen one another but a few times since our high school graduation, I am heartbroken to learn just yesterday of his death. I grieve with all of the friends and family who are gathering as I write this. I wish I could be there to share some very special stories.*

May the Peace of God and the promises of God be a comfort for all who mourn.

“ I remember when James appeared at Theresa Hall's door with a huge stuffed bear when Cole was born. It was almost as big as James.

He also seemed to love having a lot of family and friends around him. He will be missed.

“ I knew James through my son and daughter-in-law, Liz and Doug Berry, who were neighbors (down the street). When their boys were little James invited them to use his swimming pool and on several occasions I accompanied them. I didn't know James well, but I understand he was a very giving person and I will never forget his wonderful hospitality.

My sincere condolences for Jame's family and good friends.

“ Jennifer and family; I am so sad to hear of Mr. Ferguson's passing; he was what you saw and heard, he didn't hold his feelings back, he always kept me laughing, and loved his family. I was out of town most of the week and did not get a chance to see him recently and was not aware of his passing until today. May god five you all peace and RIP Mr. James, you are missed. Loved that man. Frank Johnson (708).

“ Jennifer, I am so blessed you came into my life 44 yrs ago. We've been through everything together and I've loved your parents as my own. There are so many great memories of your dad but mostly I'm going to miss his wild sense of humor. James has truly kept me in stitches, laughing uncontrollably almost daily. I loved him and I will miss him always.
