“ *I have so many fond memories of JJ. Way too many to list. He was my running mentor, my ride to foot races and so much more. I ran with JJ, Joey and others for over 20 years. I thought of him as much more than a friend, running partner. He was more a father figure to me. We had such discussions while running and after races. I will miss him very much. Love to Shirley and the family.*

“ *Joey, it just doesn't seem possible that you've lost your Dad. He was such a nice man and as they say, apples don't fall too far from the tree. I remember when he took a group of us on a field trip to see the USS Yorktown. It was such a fun trip. I can't imagine how much you will miss him. My condolences to you, your Mother and all of your family. Love, Jamie Smith Pate*

“ *What a fun person he was. Ran many road races in many locations with him and other friends of his. Will never forget our run together in the first new Savannah, Georgia Bridge Run. Especially on our lunch break return at Shoney's when I left my engine running and locked the door. What great stories achieved from that event. Everyone liked JJ and enjoyed his stories. God Bless him and his family.*
