“ It saddens me greatly that Hop has left us to be with our Heavenly Father. It saddens me even more that his son's Joey and Jimmy were not included even once in the video that was made in Hop's memory. His son, Jimmy, was his closest friend and companion for many, many years and to have both of his son's left out of his memory video was just wrong!!!

“ Although, I don't know your family personally, I am sorry for your loss. I would like to share some encouraging thoughts from the Bible. The Bible provides comfort during these difficult times. 1 John 2:17 states, "And take to heart what God's inspired word declares about the near future:"The world is passing away and so is it's desire but he that does the will of God remains forever". May these words give you a new hope.

"Hop" was my brother-in-law for many, many years and I have fond memories of him - he was a star football player at McCormick High School in McCormick, SC - playing on its championship winning team - he was an avid camper, accomplished fisherman, sports enthusiast, devoted church member, and very supportive father when sons Jimmy and Joey were children. My sincere sympathy and prayers go out to all of his family and friends who knew and loved him. - Linda Campbell Kidd, McCormick, SC
