“ Dear Debbie and all Family.

We are very sorry that Jim is gone for a time from you; as I know your hope is like ours, you will reunite together in heaven. We didn't know Jim well but for opportunities when our lives touched with yours. We could see Jim was an encourager and had gentle strength.

I remember once when we attended a wedding together. Someone said all southerners sang country music; and so Jim proceeded to sing a county song. . . He did a good job!

He did a good job loving his family too and now leaves you to do a good job loving one another. I know you would have cherished to have him for a million more sunsets and we would be so happy for you both if you did; however, you found love together and that is a great gift from God no matter how long you are given. We are glad for you to have shared the gift of your lives together. We hope from now on your sweetest memories stay with you and thankfulness to our Lord fill your heart.

Please accept our deepest sympathy extended to you all and may Gods peace cover you now and always.

Jill and David Simpson.

“ *Jimbo now walks with God!*

*The first time I met my brother-in-law, I couldn't get over his eyes (one blue and the other green). When I mentioned it to my husband Edgar, he said that he had never noticed. The last time that I saw Jimbo was to say goodbye via facetime. I am forever appreciative of being able to say that final farewell.*

*When Jimbo's dog Pearl Girl died earlier this year he was so distraught. His fur baby Pearl Girl and he were best buds and so very close. I know that one of the souls that met Jimbo in heave was his Pearl Girl.*

*I have so many fond memories of Jimbo but best of all that he was my brother-in-law!*

*Love,  
Ginny Marsh*
