“ My condolences to the Nunamaker family. Mr. Jimmy was my family's postman during the middle 70's in Augusta, GA. We lived in a great family orientated neighborhood where everyone knew everyone and neighbors were like family and so was the postman. As soon as you saw the mail truck coming, you could see Mr. Jimmy and that great smile he always wore! My parents and I still remember how nice, pleasant and friendly he was. He always seemed to enjoy delivering the mail and interacting with those he delivered too. Although it has been many years since I last saw him, our family remembers him well and have many fond memories of our friendship. My father even purchased fish from him once. I saw his obituary in the paper and immediately recognized his picture and wanted to share my family's condolences to your family during this most difficult time. Also, I wanted to share with your family what a pleasure it was knowing Mr. Jimmy and what a fine person he was. May God bless your family and carry you through this most difficult time.
