“ *As Jim's Reader Assistant, I had the honor of working closely with him every day. He always had such a bright outlook on life and knew how to bring a smile to those around him. He had a love of God, so I know that he is joyous where he is right now. I still think about all the jokes, poetry, and stories about life that he would share. We spent many lunches just discussing life, and I miss that. My condolences to his family and friends as he is greatly missed by all the lives he touched.*

“ *It is a sad day  
For all who new  
The man who made us laugh  
Even when we felt blue  
It is with a sad heart  
That Jim has left this world  
But there is no doubt, that when he did part What was his final  
destination and who owned his heart.*

*Godspeed friend.*

*I was in training with Jim in Birmingham Alabam for 9 weeks last  
year and can truly say I was blessed to have met him. Jim supplied  
all of us in class with poems almost weakly to bring a smile to our  
faces. He was truly a Godly man and will be missed.*

*God Bless

“ *Tiffany and Family,*

*It was an honor to know and work with Jim. He had the ability to  
light up a room with his quick wit and contagious smile. He had a  
unique desire to help others and it was evident in the way he poured  
himself into his work. He was truly an inspiration for many. I will  
miss him.*

*With deepest sympathy,*

“ Jeannette Young- Tiffany, Jim was such an exceptional person. Eventhough I only supervised him for less than a year, I felt as though I've known him for years. He had such a great sense of humor and he will be sadly missed! I will keep you and your family in my prayers. Jeannette Young

“ Tiffany and Family:  
It was a pleasure and an honor to have known Jim. He brought so much laughter and life to our office you would think he had been there for a long time. I know Jim and my Mom are watching over us from heaven where they suffer no more.  
Keeping you in my thoughts and prayers.  
Love,
