“ Michael and I finished Strom Thurmond High School together in 1968. We just had our 50th reunion and I'm glad Micheal was able to attend. I remember Michael was very talented musically and played in bands in High School. We all had a great time at teen clubs. Michael was one of the first to call me in the hospital when I had a heart episode in 2016 and had to sell my dental practice and retire. Life is too short but I'll always remember Michael as a quiet, low key guy, who was always kind.  
My sincere condolences to the family.
