“ Darryl and Family,

*I was so sorry to hear about your dad's passing. My heart goes out to you and your family. You will be in my thoughts and prayers. I know your dad and your mother were very special people and meant so much to you. You had such a special bond with them and the love you showed them was above and beyond that of a child and parent.*

*Take care and I will be thinking of you and your family in your time of sorrow.*
