“ To the Culpepper family and to Martha. I am so sorry to hear the news of Pep's passing. When we road to work together, He had me laughing so hard that sometimes I though I was going to wreck my car. Yes, I was one of the PEP Boys. I am going to miss him and think of him a good bit. He was one of true good friends. I have a lot of friends but just handful of close friends. Once again I share in your sorry and will miss him dearly.##imported-begin##Robert Bullard##imported-end##
