“ Mary Frances, Morgan & Dave - Our thoughts and prayers are with you and all of Jimmy's family. He was such a good guy and friend to everyone in North Augusta. While your loss is the deepest and most personal, we are all sad and will be the poorer for losing him. Jimmy loved North Augusta and adored his family - especially his "little girl", Morgan. We'll remember him fondly.##imported-begin##Carolyn & Jim Baggott##imported-end##

“ Dear Mary Francis, Morgan and Family,
My dear friends I was devastated to hear about Jimmy. He had nothing but goodness in his heart and a smile I looked forward to seeing. He was always around HQ when I started work there 30 years ago. He answered so many questions for me and helped me to truly understand the fire service part of my job, and volunteered to help me when I was swamped in dispatch. Through the years he was just everywhere! I know I will still be looking for him at Public Safety events and looking to see him in the city trucks around town. I want you to know I thought of him as a friend, coworker, and one heck of a volunteer for the community. He was taken too soon. I know we talked Christmas and discussed our retirements and he was looking forward to that chapter in his life. He so deserved to be happy and was one of my first friends at Public Safety. I remember talking about how he loved Mary Frances when they were planning to get married. Morgan, you never hesitate to come give me a hug when I see you. You keep your head up and know your Mama and Daddy raised you well. I will be looking for my next hug.
Love to all,
Eloise###imported-begin###Eloise Clements###imported-end##

“ Jimmy was a valuable employee of the City of North Augusta. He never sought the limelight but quietly and efficiently did his job. While some of us were out front getting the credit, Jimmy was behind the scenes doing the work.

He tried to retire but came back. We will miss him.##imported-begin##Lark Jones##imported-end##

“ To the Family of James (Jim) Butler:

I was sorry to read the paper today, and find that a friend from a long time in my past had departed to be with Our Father and Jesus. I was on the Fire Department a long time ago with Jim and Miller. They are the one's that gave me my initiation to the Volunteer Fire Departmt. Jim was always such a kind sole and would help anyone in need. I have often thought of him and how he would be doing. After I got married, we lost contact. I considered Jim a true friend. I am so sorry for your Loss, because I know the person of which Jim was and it is everyones loss that knew him. I live in Spartanburg, SC now, but I use to live on Weston Street in NASC. May you his family be Comforted in your time of Loss by the knowledge that you will see him again. Keep all your loving memories to the fore front and Jim will always be with you. I know how he was about family, they meant everything to him. Sorry about rambling, but this hit home. Respectfully!###imported-begin##James (Jim) Sanders###imported-end##
