“ *Aunt Joanna,
I am so sorry to hear of Uncle Jim's passing. I can still remember being at Edisto with you all and having Uncle Jim take me into the ocean for the first time. We would see a wave coming and he would jump and say "Up and over." He will be missed!!!*

“ *My fondest memory of Uncle Jim: When I was a small boy, he took me out in the ocean with an inner-tube. What seemed an insurmountable wall of water to my young eyes suddenly became a fun ride as we swooped up one side of a wave and then crested it, Uncle Jim would say "up...and over!" and we would come down the other side.##imported-begin##Tres Ikner##imported-end##*

“ *Our prayers are with the Fenimore family. I am blessed to be friends with a family that has a great father who was a role model as a husband and father.*
