“ Dear Velma, Jim and Judi,

*Bob Doerr and I were speaking of Jim a few days ago about his gift to the UMR English Department to write the history of the U. S. Bureau of Mines Rolla Metallurgy Research Center. In recent year I have looked forward to his unexpected visits until Velma could no longer travel.*

*Jim and the Jensen family had a profound impact on our lives. Had it not been for the Jensen's, Catherine and I most likely would have moved from Rolla. Your friendship will always be cherished.*

*Your friends always,*
