“ I am truly saddened to learn this. I first met Jane at University Hospital many years ago. She , and her husband Bill, soon became very loyal and appreciative patients of mine. I always looked forward to our visits and hearing her stories of her family and adventures. My prayers are with her family at this time. She was a true friend and a fine lady. Alexander H. “ Jane was my very best friend from kindergarten through her very last days! We shared so many happy days in our childhood playing together in the same neighborhood, attending the same schools and church, and remaining friends throughout our adult life with children and grandchildren! We talked about everything! One thing that I know for certain is that she was ready to be in heaven with her Lord Jesus! Her work on earth was done! She loved Bill very much and appreciated everything that he did for her. She was so proud of Amy and Patrick and told me about the things they were involved in all the time! She adored Brittany and Katelyn! I knew Brittany would soon have a Master's in engineering and Katelyn would be a nurse! She was so proud of that!! She also talked about Bill's children and family .... She loved each one of you and mentioned you by name! She talked about exchanging gifts at Christmas and going out to eat with different family members! She also talked about the her aunts on her side of the family and Bill's brothers and sister-in-laws! How much fun she had getting together with each of you! Or going on trips with you! Or receiving packages from you! I am sorry if I did not mention you by name but Jane did! Just know, she loved you all and felt loved by you! She is at peace now!
