“ I just found out that Janet passed away. I remember her when she was married to Johnny Brannon and my mom like her. Then, when my mom was at NHC, Janet was her CNA and I loved her approach with my mom who had Alzheimer's disease. She spent many a night sitting and talking old memories with my mom. She was a dedicated CNA to her patients and they loved her. I am sorry for your loss and know what it feels like to loss a loved mom. My prayers are with the family in finding peace and strength during this time of your lives.
