“Ginger and all of your family,
I do remember how you spoke so lovingly of your mom and having
your daughter named after her, as well. Your teaching talent must
have stemmed from some of your mom's talent. We will continue to
remember all of you in the days to come. The spirit of 88..has a nice
sound to it!! Love you girl. Boo

A lovely, Christian lady who left an imprint on family, church, and community. I enjoyed their travel photos and tips before we visited the same places.
