“ How quickly life goes and how quickly those we love are pulled from this life only to enter an eternal life . Rest in God’s peace dear Janet. Although I was a year or 2 ahead of you , we walked home from school together at times . Being you lived on 16th and I on 23rd , we had a little time to talk. I remember your spunky attitude and smiling face. Dear family of Janet..... May you find comfort in knowing many care and are sorry for your loss of this beautiful lady. May God bless you all and keep you strong in the times ahead .

“ When growing up in Hays, KS, I remember this young girl who did all kinds of fancy tricks off the diving board at the Municipal Swimming Pool. I used to watch her from the other end of the pool in the shallow end since I was not a very good swimmer. I was just amazed to watch her. Little did I know that many years later, when I was in High School, I would meet the brother of that little girl and eventually marry her brother. Janet was like a little sister to me, although I had 6 sisters of my own and 4 brothers. Janet and I grew so close in the years to follow. I was blessed to find the love of my life, her brother, Lee, and gain three dear sisters and another set of loving parents in Janet’s family. I will miss you dearly, Janet. I love you. “ She was always so welcoming. She had a bunch of college kids over for ND road games and other sporting events. My favorite memory was the super bowl party 2005. I don't remember much about the game but I remember the amazing food spread and so excited to be away from the dorm. She was like a second mom to me for a lot of college. She will be greatly missed.

“ *My sincere sympathies for your loss. Janet and I were close friends in high school and kept in touch until she graduated Notre Dame. So many happy memories when we were young. Creighton I remember when Janet first met you. She found her soul mate in you. Family was always the most important thing to her. The few times we talked in the last 30 years she was always talking about you and your children. May she Rest In Peace.*

“ On March 5, 1961, I gave birth to a beautiful baby girl. Your dad said I want name this one and he picked Janet Sue.

Your Grandpa Herl was so proud of you. The two of you shared a birthday. We always went to his house for cake on that special day. You had a special name for him “Agnes” and he called you “Johnnie”. Now Johnnie and Agnes are together again. I’m sure he already recognized you and called you by name - Johnnie.

The day we drove you to Notre Dame for your freshman year, you were so excited. Your dream had come true. As your dad wrote the first tuition check with his hand shaking, he looked at the two of us and said “Are you sure you want to do this” and you said, “Yes, I’m here”.

After graduation, you married Creighton and had 4 wonderful children and 11 grandchildren, a beautiful life for 36 years. You always said how lucky you were.

Janet, I will miss you deeply but I will strive to remember all the great memories and good times we shared.

We all know that when the Lord is ready, our life on earth ends. We enter our eternal home, at peace and happy.

Until we meet again, I love you dearly.,
Your Mom

“ Creighton, Shane, Ashley, Ryan, Kelsey and your families,

Matt and I are truly saddened at your loss of Janet ... but treasure beautiful memories of our Army time with you at Ft Carson, CO and in Alaska.

Janet and the children willingly joined us in filming our version of “The Sound of Music” on the hill near our house with Cheyenne Mountain in the background...an adventure I’ll never forget.

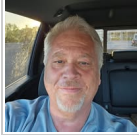

*May she Rest In Peace and prayers of comfort are going your way,

Though we haven't stayed in touch all these years, I still think of you with admiration and close friendship. Janet was an amazing woman with a joy for life and a contagious smile. I still remember our first meeting at "Ike".

Please know that you are in my thoughts and I have and will continue to lift you up before the Great Comforter. If I can do anything, please let me know through either FB or the Grad Site.

“ *Dear Creighton and family, having you all as neighbors at West Point when our children were in high school together is a fond memory. Janet's upbeat personality and go-getter attitude made for great gatherings. My mind still sees where you all sat a couple rows ahead of us every Sunday at mass. You and Janet have a legacy of beautiful children and grandchildren. Janet's love for God, family, country and Notre Dame will never be forgotten. Her voice mail ending with "Go Army-Go Irish" will always be remembered as well. May Janet be soaring with the angels in the presence of our Lord. Love and prayers, Michelle Hokenson and Family*
