“ Dorothy, it has been a long time since we have chatted, but I know you are hurting so much right now. I would give anything to say the perfect words to soothe your broken heart; I know Jasmine was your life, your heart, and your baby. She is in the arms of Jesus and in her daddy's arms. I pray that God will wrap his arms around you and hold you tightly until He reunites you with Jasmine. You are a precious person, Dorothy. I so enjoyed our time spent together years ago when I was your homebound teacher. I am sure that Jasmine inherited your sweet, beautiful spirit. I have so enjoyed seeing your grandmother on Sundays at Matlock. Ms. Patty is a wonderful Christian lady, and I know her heart is broken. I am praying for you and all your family.

“ *Patty, Connie, Dorothy and family, I can't even begin to feel the pain that you are feeling for the loss of such a precious child. With 8 grandchildren in my life, it is really hard to think what you are going through at this time. Just know that my prayers are with you and GOD has her in his arms. I know that whatever is said doesn't take away the pain, but there are friends out here who will be there to help you through this time in your life.*

“ *When Tomorrow Starts Without Me*

By: Unknown

*When tomorrow starts without me
And I'm not there to see;
If the sun should rise and find your
eyes all filled with tears for me;
I wish so much you wouldn't cry
The way you did today,
While thinking of the many things,
We didn't get to say.
I know how much you love me,
As much as I love you,
And each time that you think of me,
I know you'll miss me too;
But when tomorrow starts without me,
Please try to understand,
That an angel came and called my name,
And took me by the hand,
And said my place was ready,
In heaven far above,
And that I have to leave behind
All those I dearly love.
But as I turned to walk away,
A tear fell from my eye,
For all my life, I'd always thought,
I didn't want to die.
I had some much to live for,
So much yet to do,
It seemed almost impossible,
That I was leaving you.
I thought of all the yesterdays,
The good ones and the bad,
I thought of all the love we shared,
And all the fun we had.
If I could relive yesterday,
Just even for a while,*

*I'd say good-bye and kiss you
And maybe see you smile.
But then I fully realized,
That this could never be,
For emptiness and memories,
Would take the place of me.
And when I thought of worldly things,
I might miss come tomorrow,
I thought of you, and when I did,
My heart was filled with sorrow.
But when I walked though heaven's
gates, I felt so much at home.
When god looked down and
smiled at me,
Form His great golden throne,
He said "this is eternity,
And all I've promised you."
Today for life on earth is past,
But here it starts anew.
I promise no tomorrow,
But today will always last,
And since each day's the same day
There's no longing for the past.
But you have been so faithful,
So trusting and so true.
Though there were times you did some things,
You knew you shouldn't do.
But you have been forgiven
And now at last you're free.
So when tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*

“ Dorothy, my heart is with you as i know what it is like to lose your baby. My prayers are with you and your family. It's like we've lost another little part of Jeremy that was in this world. As I've told everyone I know that you've been a wonderful mother to Jasmine and I know this is the most difficult time of your life. Take some comfort in knowing that your baby is now in her daddy's (my baby's) arms now and will never know any pain. One day we will be with our babies again. Thinking of you and your baby girl, Mary Loomis (Jeremy's mama).
