“ *I'm speechlessshe will be missed. She gained her wings so she can fly high and be at peace now. I know that she will be watching over us. I will always have memories. I will always keep our last messages. She loved her babies and always talked about them and they made her the happiest of all. I'm praying for you all . There are no words that I can say to help you in this difficult time, just lean on God he will give you the Strength to carry on in the Days ahead. Love You JC Robin Faulkner*
