“ Hi, Vern,
I was so sorry to hear about J B. I don't really remember him that much. One time when you were at my house and you had on a dress that changed colors, wasn't he the one who came over there and say something about your "tricky dress"? We thought that was so funny and I have thought about it so many times through the years. He must have had a good sense of humor. Please know that you and your family are in my prayers. May the Lord comfort you during this time. Sorry I could not come to the funeral in Corinth. I love you, Beverly (Jones) Jeter##imported-begin##Beverly Jeter##imported-end##

“ Hello, Sharp (Virginia)

I've always called you Sharp and I guess it has just stuck with me thought all these years. I've always felt like you and Carroll were like family to me and sis (Charlene). I sure am sorry that this happened to J.B. I remember all the good times I had talking to him about hunting and fishing. It was always such a pleasant time to be around him, and you too. I'm thinking of you and your family. Your friend, Floyd Hardin###imported-begin###FLOYD HARDIN###imported-end##

“ Hi, dear sweet friend Vern (Virginia)

We're so sad to know that we all have lost such a valued friend. We know how much you and the boys, Keith, Barry, Todd, and all the grandchildren loved him. We send our love to all of you. We're here to love you and wrap our arms around you and to cry with you, because friends never let friends go through times like these without being there for them. We love all of you. “ In case you don't remember me, I bought the pontoon last summer. Everyone of you was so hospitable to me and Mr. Moss was kind and talked so much with my son. Being told he had cancer, I have thought of him since and wondered how he was. I am so sorry for your loss. It is my prayer that God will hold each one of you ever so tightly during this time of grief and that He will provide comfort and peace in the days ahead.##imported-begin##Tracey Turner##imported-end##

“ Virgina, Todd, Kieth, and Barry, I'm sad to hear about J.B. or Dad's passing, it's been a pleasure working and knowing J.B. he was so much fun to work and be around he was a great guy. He touch a lot a people with his music and friendship, he will be deaply missed. I remember the story about him playing music with a blind man that he would go by and picked up, take him places, looked out for and he went to call J.B. dad, so Gerald started calling him dad and a few of us like myself picked up on it, he was alway lots of fun, may God be with him and you guys through these times.
