“ I remember Jean from my days at Dreher High School. When I was just old enough to get my drivers license I would borrow the family car and drive over to Jean's house not far away. We would sit in the front room and listen to music on her record player. Jean was a year older than me and was already dating a senior on the football team so I never had a chance :). But my memory of that time makes my heart warmer and I'm sorry to learn that she is gone. She is in our Lord's hands now and I pray that He will comfort all those who mourn for her.

“ *Jean and I played “Words With Friends” together over the last 6 years off and on. I think she would get busy or go on a trip and pick up the game on her return ! I had no idea she was sickbut it had been months since I had heard from her or played the game with her. I just assumed she was busy! I’m so sorry for the loss of this gracious lady !*

“ *I knew Jean for 50 years. She was one of my Mom's closest friends. She was with me the day my Mom died. That's the kind of woman she was. Always loving on others. Would take me a long time to list all the accolades to describe her. Can't remember her without that infectious smile... She was like a second Mom... My deepest condolences to Rian, Donna, Skip, and the rest of the family... She leaves behind a great legacy!*

“ Jean was my second mother, and I spent so much time in her house with Donna. I have many wonderful memories, including her teaching me what fork to use and how to make chicken divan, which was the only fancy thing I could cook for years! When my own father and mother passed away, Jean brought over food and a hug. I think I owe her many cases of mac and cheese from after school. She will be greatly missed.

“ *Dennis and I have fond memories of going to Clemson games with Jean and Skip. Going out to eat and enjoying one another was a favorite. Jean was an excellent teacher . She and I taught at Walden Hall Christian Montessori many years and had wonderful times sharing, going out to eat and enjoying our friendship. Jean will be greatly missed. She was beautiful and full of life! My prayers are with Skip , Rian and Donna's families. Jean was rightly proud of her children and grandchildren. She was a wonderful role model.*
