“ Jean & I spent many happy hours together when she was a teenager. The two black & white photos in the tribute video were taken by me in November, 1954 when we were dating.

“ Gerald & Cindy....To my two beautiful Cousins...This helps me when I start to remember Dotty & Bobby Sr and all the Corley Clan that's gone before me...

GRIEF..

“Grief starts to become indulgent, and it doesn't serve anyone, and it's painful. But if you transform it into remembrance, then you're magnifying the Mother you lost and also giving something of her to other people, so they can experience something beautiful of that person also.”

“ *My dear Aunt Jean....even though the ages have past since we've seen other, you were a special Aunt to me... You and Rachael were so kind and loving to me... Your sweet smile is part of the ages now and your time with our lord and savior Jesus Christ will certainly bring you so much happiness. You've finally gone home to be with all the beautiful Corley Clan. I know you are so happy to be with all the relatives whom went before you... Give kisses and hugs to MaMa & PaPa Corley and all the clan. Your time spent here won't compare to the eternity you'll spend in the presence of heaven... My sweet Aunt Jean, myself, Lisa and my kids await the day we'll all be back together again.
Until that day my sweet Aunt...*
