“ I met Jean while working at Beasley Broadcast several years ago. We have stayed in touch but not as often as I wish we had as now I realize we didn't have the time we had hoped. Jean was always very helpful to me and I enjoyed meeting her family. May God be with you during this very stressful time. Lindsey I know your grandmother would want you to go forward with your beautiful wedding and just know she will be watching over you.##imported-begin##Pat Friday##imported-end##

“ I would like to first express how I saw and knew Jean Stewart. Gratitude is easy to express; if you just pick up that pen, or phone and tell the person exactly how their gift or thoughtful action made you feel. I am so glad I did! Friends like you Jean are a rare treasure. I am so glad I got to say Thank you for all you did! May your life bring a reflection of the kindness you've shown to others and for your thoughtfulness always. A "thank you" seems so small compared to someone as special as you, but you knew it always came from my heart. A kind gesture lasts a lifetime, so you will always be in our hearts. Your thoughtful gift brought a smile to many faces. You were a gift to all of our lives. Only you would know what would make someone's day. You always knew others better than they did. Generosity is a sign of a great soul. You were surely one. Your kindness always touched everyone's heart. I know we will always remember this kindness. Jean, as we always use to say sometimes simple words would say it best. Thank you from the bottom of my heart, for being friend and the person you were.

TO THE FAMILY:

When your heart is empty, filling it with happy memories can help you find your smile, that Jean would want. It's hard to understand why people are taken from us, but find comfort in knowing you were a special part of such a wonderful lady's heart. May happy memories carry you through. Please take heart, time will soften the edges and ease your burdens. I know Jean would want you all to always remember, God is always in your corner, never lose the faith!!! I was so saddened at first to hear about your loss, and I remembered Jean wouldn't want us to be sad, she would want us to rejoice and know she is at peace. An ear to listen, A hand to hold, A heart to share, A friend who cares, best describes Jean and Bob Stewart, as I had known them for 25 plus years. My love, thoughts and prayers, always.##imported-begin##Wanda Lowry##imported-end##

“ We came to know Jean through KICKS99 and my daughter’s singing. To say that she was a champion for Jaycie and wanted to see her go far is an understatement. In our dealings with her we got to know what a genuinely "good person" she was. Jean helped open so many doors for Jaycie and for that we are eternally grateful. Her kind and generous presence will be greatly missed and forever remembered.###imported-begin###Bobby, Cathy, Josh and Jaycie Ward###imported-end##

“ I will always remember the special person that Jean was. There was no one else like her! My memories will always be of the unquestionable love that she had for her friends and family. In the course of a stressful work day, we would disagree and fuss but then laugh, hug, and be friends again. Her unfailing faith was an inspiration to me. Always one to go out of her way to invite me to her church or gently remind me that I needed to be in church somewhere on Sunday. Her giving and caring attitude was so special. She gave so much and asked for so little. God Bless you Jean. I know that you are in a place of rest and eternal love that is so great that we cannot comprehend it.###imported-begin###Bobbie Ross###imported-end##

“ Wow! Once I knew Jean had passed away, it wasn't real! She wasn't my grandmother, but pretty much the only one I ever knew! Jean was such an involved person, and I'm going to miss her much! I know she and Bob are happy together and that's the best thing to know! Lindsay, Sydney, Tracy, Brian, and Kelly, you all in my prayers. If you guys need anything you know we are only a phone call away! I love you Jean and I miss you! -Chelsea##imported-begin##Chelsea Hughes##imported-end##

“ I was shocked to hear of Jeans passing. She was always so nice to me whenever I saw her. I know how sad and heartsick you all must be, but just think how happy she is to be with Bob again and how much fun they are having dancing in the heavens. Now I think Bob and Jean are truly at peace, and they can both rest easy now that they are together again.

Please know my thoughts and prayers are with you all.##imported-begin##Ginger W. Sitler##imported-end##
