“ Dear Mrs.Bebe,

*....Just sitting here at work looking back over my life and the people I've met.*

*It was wasnt until I placed the call to your florist and was told of your sister Jeanette passing.*

*Your sister was my very first employer. I enjoyed being around her. I just hated riding in the car with her...she would make the weirdest noises if someone acted like they were about to cut her off or into her lane.*

*I was soooo young then,but now I am a young man. And as I sit here reflecting upon the life of Jeanette I cannot help but to remember closing time at her shop.*

*She would always call home to let your mother know that she was on the way home, and then she would ask her if she needed her stop anyway.*

*For this cause I frequently call my own mother and see if she want anything before I head home.*

*In closing I am so glad I had the priviliage of meeting your sister on this side and only hope that we all shall meet one day on that peacefully shore!*

*Heartfelt sympathy,*

“ Miss Bush was a very dear and sweet lady. Thirty-seven years ago, she sent my mom "courting flowers" from my dad and she always said that those flowers are the reason that they got married and had me. We will truly miss her.###imported-begin##Steve, Janice, and Jennie Harden###imported-end##
