“ A wonderful video tribute for a special lady and family. So sorry for your loss. One of the many blessings from the Children's Heart Program Volunteer Council was having the friendship and support of the Miller family.

Jeanette and Bob truly portrayed how to "live well, laugh often, love much." May your faith and fond memories bring you peace and comfort in the days ahead.

With Love,

“ It was an honor to have known Mrs. Miller, if only for a brief time. One of my favorite memories was seeing her eyes light up during a visit from her "grand-dog" Sassy. Mrs. Miller called Sassy's name and that cute pup, who was wearing a chambray/sherpa- collared doggie vest, jumped up in Mrs. Miller's lap, and the two sat together in the recliner. So sweet. *Mama and Daddy kept Sassy for years while I worked. Those two had their permanent positions and spots in that recliner!*

*Thank you Lauren for taking care of her on these past Sundays. She was a treasure.*

*Blessings,
