“ To the Lollar family: I am sorry about your loss. As a result of the loss of your beloved wife and mother, the distress that you feel will sometimes overwhelm you because you will miss her very much and because of the special place that she holds in the family. Be encouraged though by reflecting on the promises that God has given us thru his word the Bible concerning the hope of seeing her again and living with her in a world without tears where sickness and death will be no more. (Revelation 21:4)
