“ I only recently had the chance to meet Jeannie. I can truly say that it was a blessing just to have known her, even if only for a short time. She had a love that surrounded her; a love that is shared by her beautiful daughter and granddaughters. She was selfless and thoughtful. I feel so grateful to have been able to share time with her. She was an amazing and beautiful woman of God.

“*Jeannie has been my best friend for the past 57 years. Born just two weeks apart, we lived down the hill from her and her family. We met when we were about 3 years old, we have not always lived down the street from each other, but we have always had a special place in our hearts. Just this past May after her daddy passed away Pam (my twin) and I went to North Augusta to visit with Jeannie. We sat in her living room and talked and laughed for several hours. It had been several years since we saw Jeannie, but we picked back up. I am so grateful for that time we had, only God knew it would be our last. I praise His name for the forever friendship with Jeannie. Till we meet again my dear friend..... Prayers for Amy, Kristin, Savannah, Jessica and all of the family.*

We just now learned of Jeannie's passing. So sorry for the family's loss-ours, too. She was a special person and she will be missed. She always had a smile and kind words for others. Somehow the notice of her passing and the graveside service did not arrive in our computer in time, or we would have come to the service. We will keep the family in our prayers.

“ Love that smile! She always made me feel unconditionally loved and that she was genuinely happy to see me. While she will be missed, I take comfort in the knowledge that we will see each other again.
