“ Word cannot described the shock I am feeling right now. Jeff was one of the first artists I met when I began working at the Chronicle. He and the other designer made me feel like part of the team right away. As a fellow Dallas Cowboys fan we always talked football and sports. You will be sorely missed. “ Jeff, you were a major part of my world, my heart and soul and I will miss you sorely. We were together six years with never a dull moment. You were my best friend, my confidant and my cohort in arms. You were the most intelligent and giving person I ever knew, and you made this girl feel oh so special. I will keep you close to my heart. To Jeff's family, I truly am sorry we lost someone so special and my prayers go out to you. He cannot be replaced. I will love you always babe. “ I was very sad to learn that Jeff has left us. I was in Mrs. Stalk's art class with him he was just an unbelievable talent! I just remembered that I own a sketch by Jeff of Bruce Springsteen (The River). I persuaded him to draw it and in exchange I bought him a ticket to 6 Flags. The ticket was cheap back then and I was VERY pleased with the drawing and will always cherish it. He was a fine artist. Lately I saw Jeff in the paper getting a signature on his pic of Cal Ripkin at the GreenJackets. I always liked Jeff, even though he didn't talk much then, his talent spoke volumes. May God Bless your family.##imported-begin##Gina Dawkins Rosier##imported-end##

“ Dear Turner Family,

I went to High School with Jeff. He was the most talented person I ever knew. He and I were in Mrs. Stalks art class together, and he was her favorite. I saw him a couple of years ago in downtown Augusta, and he told me he was painting portraits. I really wish I could have seen one. I bet it is beautiful.

Please accept my deepest sympathies. I know he will be deeply missed.##imported-begin##Suzanne Prendergast ##imported-end##

“ I am very sadden by Jeff's passing we were childhood friends we played baseball together. I had recently had thoughts of all my buddies i grew up with, where they where , how life had been to them, and i wanted to try and reconnect with some of them I haven't seen them in over 25 years and Jeff was the first i thought of. Never was there a dull moment when all of us were together.
