“ Dear Laura and Family,]

I am so sorry for your loss. My thoughts and prayers are with you all. If there is anything I can do please don't hesitate to call me. Your sweet child is now in our Father's arms and has no more pain. I saw you guys in the hospital frequently and was so touched by your dedication to your son and unwillingness to give up on him. But now remember it is not in our time but our Father's and it was time for Jeffrey to return to his heavenly home where you will all be together again one day. I hope that promise from our Lord brings you peace. All my love and prayers are with you, Marian

“ *Laura and Ricky,
I know it's been years, but I'm so sorry to hear of your loss. I cannot even begin to imagine what you are going through. You and your family will be in my prayers. I have very fond memories of the baseball days with Jeffrey and Chad playing ball and Ricky coaching them, the laughing and the yelling. I will always remember that huge smile Jeffrey always had on his face!*###imported-begin##Tami Hager##imported-end##

“ Hey Buddy,
I know that you are in a far better place, and you are feeling better than you have ever felt. That doesn't change the fact that I miss you so bad it hurts. But I want you to know that there has or ever will be a dad more proud of his son than I am of you. Tell my daddy hey for me. Enjoy your brand new life, and one day we will all be there with you.
I Love You, Dad##imported-begin##Dad##imported-end##

“ I played on Jeff's little league baseball team, the Blue Jays, in the fourth grade. I remember his dad taking the team in the back of his truck to McDonald's for ice cream after a game one evening. I was surprised to read this, and I know it is a very difficult thing. God is with you, and may His power and peace bring you through this unimaginable time.##imported-begin##Matthew Ames##imported-end##

“ Jeffrey- you were our angel while you were here with us, and now you are our angel in heaven. I will never forget any of our memories, the good, the bad, the funny, the sad. I will cherish them every day for the rest of my life. I'm heartbroken that you're gone; but I am so thankful that I had you for these 19 years of my life. They would have meant nothing if I didn't have my bubba to share them with . I love you more than words could ever express. & I will ALWAYS hold you in my heart. I know you're always with me.. & I know I will see you waiting for me one day. I love you baby boy. Take care of all of us. We're staying strong, because we promised you that we would. Thank you for smiling that one last smile. You could always brighten the saddest of days, and that smile let us know that you were no longer in pain, no more suffering. I love you Jeffrey, always and forever. You'll always be my number one, my bubba :)###imported-begin###Nikki Havenhill###imported-end###
