“ *I am so truly sorry for your loss. Our love and Prayers are with you.*

*Jerry and Helen were always such delightful guests when they came to Michigan. They were always ready for an adventure or just to sit and talk. One visit was in full fruit harvest season. They enjoyed red raspberries for the first time. They really knew how to appreciate the small things in life and find joy there. That is truly a gift enjoyed by few. I hope you find peace and happiness in the many memories that you share.*
