“ One thing I will never forget about Jerry is the times we were with each other and with two friends named Richard and Sam. We would all revert back to the 8th grade. One of us would share a dumb joke and then we would all start laughing so hard and we couldn't stop. We laughed so hard that we would each curl up and have to strain to even breathe. Then we would all finally get quiet and one of us would start to talk. Instantly, we would all laugh all over again.

*Back then, we were all in our 40's or 50's but we were all able to forget about the worldly problems of grown men and go back to the happy times of being four boys with no problems. For a few minutes we were silly and happy. They were wonderful times.*

*I hope to see you again, Jerry!*

“ Thinking and praying for the McRae family and I know our God will hold each of you in his arms with love and understanding. Jerry was always a fun guy to be around, plus a great "handyman" as a carpenter, carpet installer, painter and many more. He was a true SC Gamecock fan! RIP my friend.
