“ *My most sincere condolences to all of Jesse’s family. I was so saddened to here from Nathan(Vick) that Jesse has died. So very young, just 5 months older than Nathan. So, so many high school soccer and football memories with numerous drives to Atlanta for soccer. Never a dull moment when Jesse was around. My prayer is that you can pull your great memories to the forefront of your mind when feeling sad and know that you can see him in heaven. Barbara Fiebiger*

“ Words can't even express how sorry I am to hear of Jesse's passing. It's been a tough couple days trying to cope with it bc we go so far back all the way to when we were 7 years old. The times we had on the soccer field together from our times with the Rowdies in U-8's and our U-10 team The Kicks will always go down in history as one of the best teams. Then as we got older and into our teenage years we spent every Saturday together on our bowling team for the next few years. And hung out more and more even though we went to different schools and had battles against one another in school soccer. Those years being your teammate were an absolute joy and most importantly just being great friends with you then I will always cherish! Some great times and memories I will never forget. You always had a heart of gold and came from an amazing family. My prayers are with your entire family during this sad time and I know you will always be watching over us all. Give my dad a hug for me brother! Rest easy my friend. Love you Jesse!
