“ *I thank God for the 12 years I had you in my life and for the priveledge of calling you dad. I hope you know that Lilia, your granddaughter who says she has a Heaven Papa now, and Lilia's children's children will know what a loving, Godly man you were and the legacy of love you left behind. You were my father in law but you insisted I call you Dad and you always treated me as if I was your own child. You will never know what that meant to me or what a blessing you were to my life. I always told you that I loved you, but I also meant thank you.*
