“ Uncle Donald and Aunt Donna were a big part of my childhood and even when life distracts you to other paths... I could always swing by and it's like nothing ever changed. I hate I can't be there bc of a surgery appointment but I send my love. Uncle Donald thank you for staying with our Dad at the hospital. He said he didn't want him to be alone until to the funeral home came. That's the kind of person I'll always remember and cherish. Rest easy and I'll see you again!

“ Clark and Jeannie, there are no words to say to cover your hurt at this time. I knew your father as a loving husband to Donna, devoted father to you 3, can't forget Jeff, I loved hearing him laugh. But thankful for all he and your mom did for Buddy and I when we were married. I world often times ride by your house and could kick myself for never stopping to visit. For that I am truly sorry, he is with your mom again where he was truly happiest. Love and prayers.

“ To my family, I am saddened to hear of the loss of Uncle Donald and am here to support as needed. (Clark, Jeannie, Eddie, Logan, and others) I will always remember how he would boil the peanuts for my children and others, sharing stories and memories, and yes how he despised cats. LOL always made me laugh with him! Hope this memory brings joy to all as it does me. Again to the family, I am here for you all, hugs and prayers.
