“ *The thing that I remember most about Jilene is her deep love for her grandchildren. She was such a blessing to her children and grandchildren in the way that she made them such an important part of her life and poured her heart into them. Her memory will live on through them as they share this love with their families and friends. 1 John 4:7 says, "Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God." Jilene was a great example of this kind of sacrificial love. We miss her.*
