“ Glenn and Brad:

We are truly sorry for your loss. Uncle Jim was a wonderful person in so many ways. I have fond memories of visiting at his home as a child. He and Aunt Jewel always made everyone feel so welcome and special. I especially enjoyed playing music with Uncle Jim and listening to him play the guitar. He inspired me to learn to play. His love of people was remarkable. It seemd that he was comfortable with anyone and always made them feel special. I know Jackie adored him like he was a movie star. We will miss him.

Randy,

What you said here is so true. Uncle Jim and Aunt Jewel were very special people. They will live in my heart forever. As far as Jackie goes, I think Uncle Jim thought she was the star. I can see them now dancing around the living room.
