“ There are so many memories from when I was very young and growing up with "Tommy, Nicky, Jimmy" as my Mom still says after all these years. There were many fishing trips, trips to the lake, cookouts with Cindy Thornton Boring's family, smoking rabbit tobacco, and too many more to mention. Joann was like a second Mom back then and through all the years and life changes, she remained steadfast and strong, yet kind and loving. She had to be raising all those boys. She will be remembered as a kind and loving woman by those that knew her well. My Mom and I want her family to know how saddened we are about her passing, and that she was loved in this life and will be as she joins her boys, family and friends in the next life. Prayers for the family, I always loved her and was happy each time we saw each other. She will be missed.

“ Doug, Jimmy, Greg, Tommy, Heather and families, I was very sadden to hear the news that JoAnn had passed away. I worked with her for 15 years and through the years I have visited her on occasion at her home. She was always a good friend to me and I loved her very much. We always enjoyed our visits with one another. May the Lord bring to each one of you comfort and strength during your time of mourning and in the coming days, My thoughts and prayers are with you.

Love,

“ *Romans 8:37-39*
“Yet in all these things we are more than conquerors through Him who loved us. For I am persuaded that neither death nor life, nor angels nor principalities nor powers, nor things present nor things to come, nor height nor depth, nor any other created thing, shall be able to separate us from the love of God which is in Christ Jesus our Lord.”

We love you Maw Maw, thank you for your love and support. Your generous accepting spirit will be a memory we all aspire to. You loved your family and that always shined through. May the Lord comfort us all.

“ Tommy & I pretty much eloped. We told no one. The first time I saw Maw Maw after, she took me aside & welcomed me to the family. I felt welcome. There were many times she took time to make me feel loved. When my Mom died, she was the only person who said anything that actually gave me any comfort. And when my daughter died, she understood & let me know in the most kind & gentle way. I will miss her for all my life.
