“ *We are very sad too hear about your loss, I will never forget our trip to visit JoAnna with our family (John, Ellen, David, Becky, Janet, and me). Joanna was the most kind and warm woman that introduced me to grits, and crenshaw melon. I also remember seeing her and her family at Uncle Bud's 4th of July picnics. She was a true Southern belle, and will be missed by our family. My thoughts and prayers are with your family*

“ I will never forget visiting Aunt Thelma and Uncle Otis when we were young.. and meeting JoAnna. She was a fun and interesting woman. I will always treasure the surprise visit from her and Jim . They pulled up in the front of my home in Littleton, Colorado in their mobile home. I wondered who it was , until a knock on the door , a southern welcome, and pure joy. She brought in photo albums and we talked of our family roots and she taught me of how important family is... I am very interested in family history as well. Our thoughts and prayers are with you and your families in her loss.
Most sincerely,

“ Jim, Fred and Andy, the memories I have of your mother are some of the fondest in my early life. A gracious, loving and giving woman whose presence will linger in my memories and those of all who met her. I remember learning how to polish silver with her! and a lot of laughter. Be well and know you were blessed with an angel for a Mom.

“ Andy & Family,
I am sorry to hear about the loss of your mother. I only met her a couple of times way back when (P.K Jr. High Prom and at a few Halloween parties you had). She was a very pleasant lady. Please know that you and your family are in my thoughts and prayers during this difficult time.

“ Andy, Fred and Jim,

My sincere condolences on the loss of your precious Mother. I have fond memories of you all, but one of my clearest memories of your Mom was when I was probably about 11 or 12 years old. I can't remember why I was at the house...either looking for Andy or maybe one of my sisters, Angel or Donna. No one was home but your Mom and the housekeeper...I think her name was Josephine. Your Mom invited me in and we sat in the living room and drank tea and looked at photo albums and she told me stories of raising three boys. One thing she told me that day that I remember some 30 odd years later is she went to sleep every night on your father's shoulder. As a young girl that was the most romantic thing I had ever heard...as a 46 year old woman, it still is. Amazing the influences people have in your life. Take comfort in the fact that your Mother was a great lady and held a special place in the hearts of many, even the little girl that lived down the street.

“ Goodbye cousin. I know Mom is glad to see you. You should have quite a reunion going right about now. I miss you already. I'll see you again when that time has been decided.

“ I added a photo of JoAnna at Mt. Liberty in DeKalb County, WV, near the graves of our great grandparents, SW and Barbara Ellen Reynolds. She wanted to tell the story. Was it the story of our ancestors, or the story of God and his Wisdom? Do you wonder what she is telling God now?

JoAnna often said that my sister Barbara and I were like her sisters that she never had. The three of us shared a bed when we visited Grandmother Hardman's. We also shared the pursuit of our ancestors. When we were looking for the cave where the Indian captors took our 4th Great Grandmother Cunningham, she wouldn't give up despite using a cane. We explored Sinking Creek, Mt. Zion, and Aunt Annie's home in Burnt House to name a few--bringing back memories. JoAnna's contributions at the reunions were her stories. She always had a story to tell about our kin. I can imagine her telling stories up there in Heaven now.
