“ *One of my favorite memories of you was in 1974. Sister, Jane, Angie, and I drove to Texas to see you, Norma, and Jay. Norma was pregnant with Lani. So much laughter and wonderful family time. You loved to aggravate me. I remember you making your cat furious and then throwing him on my back. :) As Mama would have said, you were a pistol.*

“ Pops,

So many memories throughout the years, where do I begin? All the days on the roof of lighthouse working on the HVAC systems or the latest Coast to Coast AM show discussions, we always "saw the writing on the wall". I will miss the fatherly talks we had and the advice you always gave me. For all these years and all the great times we had, I will never forget you and will honor your memory the best I can. I love you pops!!!! Thank you for being a great dad.
