“ My heart is deeply saddened by Joe's passing. I met Joe through work at Georgia Power and we became friends. His picture says it all, the smile that always came when he saw you. Joe had a gift of making others smile also. He was a very kind, caring and loyal friend. I count it as a blessing that I was able to cross paths with him on this earth and look forward to the day we meet again. RIP my brother.

“ I am so sorry to hear of Joe's passing. He was always so sweet to my mom and me- he helped me make it through my senior year of high school. Joe would come get me in that VW Thing and we'd ride all the logging trails from Martintown Rd to the lake and back. Probably my fondest memories of that year. Again- my sincere condolences to Joe's entire family and huge network of friends.

“ Thank you all so much for the kind words to our family. Joe loved his girls and Mama and Daddy so much. I will miss how he could recall a story so entertainingly and vividly. When we both were trying to tell the same story, I gave him the lead because he was waaay better at it than I. He had so many friends that loved him as much as he loved them. Joe was great company to our mother (she has said so many, many times). He listened to her and shared thoughts, movies, and current events with her almost daily. I loved my aggravating, older brother. (Whose isn't!). I have thought in recent years we could lose him too soon, but the reality of it has not fully set in yet. Joe was upbeat about his health in the last few months and enjoyed the beautiful spring we have had this year. He was looking forward to new and exciting things coming up in our lives. There is no real good reason why he has been taken from us now, but I know this...He and Daddy are sitting side-by-side, fishing poles in hand, at the BEST FISHING HOLE EVER!! God speed Joe (Love you) and ROCK ON! Margaret
