“ *To my Valentine friends. Brent is one that I did not know as much as I knew the rest of you but I do know that he is with God and he is with his wife again. I pray that God will bring each of you peace comfort and will show you strength and give it to you for the things you need to do. I will be here if you need anything. Love all of you*

“ *I'm so sorry for your loss. Brent was already in college when the Valentines were our neighbors in Dicks Project but he was always so nice when he came home. I miss seeing all of the family and I will always treasure all the memories. RIP Brent.*

“ *Gwen and Marcus. I was so saddened to learn about your Dad yesterday from Alisa. He was such a gifted and talented person, and I know he will be missed. I still have fond memories of those jam sessions that included your Uncle JoJo, and sometimes Ted. Please take comfort in knowing he is now with your Mom. Curtis Beard*
