“ *Dear family and friends,
We know the past years have been hard. Alzheimer’s is a terrible disease. The first thing I thought of when I heard that Joette had passed was her laughter. The joy and the excitement she showed when she was cheering everyone on at your events, the excitement she shared when she had grandchildren demonstrated her love and devotion to her family. Family was very important to her and she was proud of you all. She was a good friend and neighbor and we know that the laughter and light is back in her now. Our prayers are with each of you.*

*Love,

*Dear Joette,
I didn’t get to tell you your wings are beautiful. What a ride we had. We grew up together, played together, worked and retired at the same institution.
Thank you for making mama smile in her last days.
I will always miss you.
Love always,
