“ I had the privilege of working along side Mr. John as a contractor. He was truly a mentor of mine for 10 years. He spoke often to me about his family, spending time with his sons and grandkids coming to see him. He spoke about how wonderful his wife was and she was a hair dresser. Mr. John came to visit me at my home after I had a motorcycle wreck leaving me disabled, offering great friendship and support.

It is truly an honor for me to have known him and to have his friendship. He will be missed & never be forgotten by me and my family.

“Helen, We were so sadden for you and your family to hear of Johnny's death. We know you all are heart broken but we also know that God gives peace and comfort to the grieving. Please know that you are loved and that you all are in our prayers. if I could take away your hurt I would. Just lean on God above for your strength and comfort and the rest us for shoulders to cry on, listening ears and hugs.
