“ Ronnie, Lynn, Barry and Jerry and families, I am so sorry for your loss. Losing parents is hard on us because they have been our life line many days. Your mom and dad were some special in Jackson and we all loved them. They showed us the fun of living and loving. I will keep you in prayer for strength, peace and comfort during this time in your lives.

“ Mr. John Martin was a great supervisor at SRP. I had the pleasure of working for him in the 70's & 80's in the Reactor Department. He was always very helpful if you needed him on any job. Not only was he a good supervisor but a good friend to all. He always had a smile when he greeted me even after his retirement. May God bless his family during this difficult time. Lana Griffin

“ *Mr. John Martin was a good man. I enjoyed working with him at the site during the 80's in the Reactor Dept. Soon after I went to work there my car died in the parking lot in C Area and I didn't know what to do, being 35 miles from home and really not knowing anyone there. Mr John walked up and ended up giving me a ride to North Augusta. I never forgot that act of kindness he showed me that day. He was southern genteman and I greatly admired him. Rest in Peace Mr John.*
