“ *John, you were an amazing man with gentle soul. I have never known such an engaging dinner partner, rousing story teller, a joy to sing with, and a wonderful friend. Rest well and sing with your beautiful bass voice until we meet again in the choir celestial. ❤️*

“ *Dear John: it was a pleasure to know you and your service today was so lovely. You were one of the first instructors who welcomed me to the ATC faculty, and we had a mutual love of history, English, and good manners! You were always so witty. I will remember our fun conversations in the adjunct office before I got my own. I never thought last week would be the last time I saw you. I hope you are at peace and know how much you were loved by your family and friends as they mourned you today. Rest well, John. ~Deanna Brandenberger*
