“ *It's been a long time since John's passing but we didn't hear of it until running across it on an internet search regarding his works of art that he was deeply involved in. My brother, Dave and I were his only cousins and grew up with him in Milwaukee, WI. My wife, Gladys, and I hadn't seen Jack or Janice since they left Helena, MT. Our love goes out to Janice and the family.*

“ *Janice and Family - I am so sorry to hear of John's passing. John was very influential in my life. I met John in 1989 through the Helena Chamber and he invited me to a Kiwanis meeting. Not having children, I probably would not have joined a children's organization but John invited me as his guest. I knew many people there and I guess the rest is history. I raised through the ranks on both the local club and district levels including distinguished District Governor. I am currently the District Secretary-Treasurer for the Montana District of Kiwanis. All this because John invited me to attend a Kiwanis meeting as his guest. I remember John as a kind man who cared about many. My thoughts and prayers are with you.*
