“ My brother Bryan and I grew up with John. He and Bryan were inseparable in our early childhood days. I, the annoying younger sister followed them around. I have nothing but fond memories of him and his kindness towards me. I hadn't seen him in years and he came into the vet I worked a few years back. We went down memory lane. John was always a great friend and kind soul. Sending thoughts, love and light to you all during this time.

“ My sincerest condolences to the family. John was my partner on the maintenance crew at work. He taught me alot and always made sure to find a way to make me laugh. I'm no stranger to grief, but I'll tell you what "John Boy", this one is hard. I'll do my best to take it from here.

“ I just talked with John a couple of weeks ago. He was supposed to come visit us. We worked together at Pactiv in Beech Island. He was our fishing buddy. He would take us to Beaufort to fish and shrimp. I remember he was casting a shrimping net and chipped his tooth. Will miss you buddy RIP
