I am so sorry to hear of John's passing. I only attended Ben Lomond HS one year and that was my Sr. year, and John and I graduated together. We had several classes, along with ROTC together. We worked closely together in ROTC and became good friends. After my Sr. year my family moved to Roy, UT, and I went on to college, a mission for the LDS Church, and time in the USMC. We lost touch until a few years back on Facebook. Thank goodness we have the Gospel Of Jesus Christ to let us know that this life is not the end, that we can be together with loved ones again in the future. I know John did not have the best of health these past few years. Now he is free of pain. What a glorious reunion it will be for all of us to see him again. My condolences to all of you.

John was my first cousin. Even though we kind of lost touch after he moved from Utah, I will always remember how proud he was of his county and family. He will be remembered for instilling a good education for his children. I can only imagine the great reunion he must be having with Grandma and Grandpa Van Orden who raised him. Until we meet again - Families are Forever!!!

“ *We were friends in high school, where John could always be counted on for a friendly smile and a joke at our adjacent lockers. He and Shirlene drove all the way back to Ogden for our 50th class reunion where we enjoyed chatting and catching up on his adventures - he spoke lovingly of his "kids" and grandkids. We were hoping to see him again at our 60th this year; instead, we send our condolences and love to his family and legions of friends, hoping that they will find comfort in the knowledge that John was well loved and will be missed.*

“ *Gayle and I are saddened to hear of John's passing. We enjoyed being in the North Augusta Ward with John and Shirlene. We were so glad we were able to have dinner at P.F. Chang with them when they came to Utah for a visit. We enjoyed our visit so much! John was a fine gentleman and a good family man. You are in our thoughts and prayers.*
